Re: Community Open House #2 – SoHo Thames Valley Corridor Project

In November 2018, The City of London held the first community open house with over 80 attendants from the community. We also received 60 completed questionnaires and plenty of online input to help to refine the proposal. We are pleased to invite you to another one.

What:	Community Open House #2
When:	Tuesday, March 19, 2019
What time:	6:00 pm to 8:00 pm
Where:	Goodwill Industries Building (255 Horton St – 3 rd Floor)

This open house is for a proposed pathway and park project in the SoHo Community. Most of the project site is located on former Old Victoria Hospital Lands and includes the redevelopment of Wellington Valley Park. An overall site map is on the reverse of this letter.

The purpose of this event is to present refined concept plans based on the input we have received so far. We also intend to solicit more feedback from the community and illustrate potential phases of the project. For more information on this project and a summary of the feedback we received, please visit: <https://getinvolved.london.ca/TVCSOHO>
